FOREWORD

The Darts Regulation Authority (DRA) is a not-for-profit Company, limited by guarantee. One of its primary roles is to ensure good governance within the sport of darts. The DRA Board comprises of up to five members. The current Board members are: Nigel Mawer, Tim Ollerenshaw, Ritchie Gardner and Dave Jones. They do not sit on the Board as a representative of any other body within darts. They are independent individuals who provide a cross-section of views and experience from different backgrounds. Mike Titmus is the General Secretary and Monika Jirec is the Disciplinary Committee Coordinator.

The aim of the DRA is to be recognised as the regulatory authority for darts worldwide with responsibility for providing and administering rules and regulations that will improve the image and profile of the sport within the professional and amateur ranks. The DRA Rule Book is the cornerstone of this and sets the standards of behaviour for players in DRA sanctioned events.

This review of the DRA Rule Book for 20223 brings the Code of Conduct and Playing Rules up to date and reflects changes in the sport since their first publication in 2002. This edition supersedes any previous version. The Code and Rules contained herein are those which are now in force for all DRA sanctioned events.

The DRA will continue to assess and review the Code and Rules and will produce amendments and updates to the Rule Book when appropriate. The DRA website (www.thedra.co.uk) contains the current DRA Official Rule Book and will be used to publish any information relating to subsequent amendments.

Such a request will be considered by the Referee or an Official and, if deemed appropriate, the board changed. 13.2.5 that it will have an appeal process similar to the DRA Appeals Process.

13.3 Where an Affiliated Organisation refers a Player to the DRA it shall:

13.3.1 Obtain the evidence that the Affiliated Organisation will seek to rely on and forward that together with a report of the circumstances and the rule breaches alleged to the DRA Disciplinary Commissioner; and

13.3.2 In the case of an appeal; the Affiliated Organisation will forward the evidence considered by the original Disciplinary Committee and any submissions and findings reached by the committee.

13.4 Where the Misconduct constitutes Minor Misconduct and the person concerned fully admits the Misconduct in his response, the Disciplinary Commissioner or the equivalent person in an Affiliated Organisation, at his/her discretion may consider the matter on paper. He/she shall exercise this function in accordance with these Rules, but he/she may not suspend a Player from playing in a Darts Event nor impose a fine exceeding £1,000 plus costs.

13.5 Where the Misconduct has a standardised fine or concerns a “fail to mark” offence it may be levied immediately.

13.6 If the Disciplinary Commissioner or the equivalent person in an Affiliated Organisation, decides that there should be a disciplinary hearing he/she will write to the person concerned notifying him that there will be a disciplinary hearing and specifying the charge(s).

13.7 At least 14 days prior to the hearing, the person bound by the DRA Rules will be notified in writing by the Disciplinary Committee of:

13.7.1 The time, date and venue of the hearing;

13.7.2 the particulars of all charges and complaints to be heard and the grounds upon which they are based; and

13.7.3 that the person bound by the DRA Rules may do one or more of the following:

(i) attend and speak at the hearing;

(ii) submit to the Disciplinary Committee at or prior to the hearing written representations relating to the matter;

(iii) procure representation at the hearing by any person (the procurement of such representation will not be permitted to delay the hearing).

13.8 In the event that the person concerned does not wish to attend or to have anyone attend on his/her behalf, the Disciplinary Committee at its discretion may hold the hearing by audio or video conference. In such an event the person concerned, or person representing them may take part in all or part of the hearing relevant to their case.

13.9 In exercising its functions under these Disciplinary Rules, the Disciplinary Committee shall have broad discretion to regulate its own procedure. Without prejudice to the

generality of this power, the Disciplinary Committee may do any of the following:

- 13.9.1** order the parties to attend a case management hearing in advance of the substantive hearing where matters of evidence and procedure may be decided;
- 13.9.2** extend or vary any time limit set out in these Disciplinary Rules;

- 13.9.8** require that any party or other person subject to the disciplinary jurisdiction of the DRA disclose documents or other material relevant to the case to another party or to the Disciplinary Committee.

14 DISCIPLINARY HEARING

- 14.1** The burden of proof in respect of any allegation shall be on the DRA and the standard of proof shall be on the balance of probabilities (that is, whether it is more likely than not that the Misconduct occurred).
- 14.2** Every person giving evidence before the Disciplinary Committee is under a duty to give full and truthful evidence.
- 14.3** The Disciplinary Committee shall not be obliged to follow the strict rules of evidence. It may admit such evidence as it thinks fit and accord such evidence such weight as it thinks appropriate in all the circumstances in order to reach a fair judgment.
- 14.4** At any Disciplinary Hearing to deal with a charge or complaint, the Committee must:
 - 14.4.1** give the person bound by the DRA Rules his/her permitted representatives an opportunity to make oral representations;
 - 14.4.2** consider any written representations submitted to the Committee by the person bound by the DRA Rules on his/her behalf;
 - 14.4.3** make a determination whether the DRA Rules have been breached by the person bound by the DRA Rules; and
 - 14.4.4** make a determination of the sanction or sanctions to be imposed on the person bound by the DRA Rules.

- 14.5** Having reached its final decision, the Disciplinary Committee shall communicate that decision either at the time of the hearing or as soon as possible thereafter in writing to the person subject to the decision.
- 14.6** A decision of the Disciplinary Committee, subject to the right of appeal set out in section 15, shall be deemed to be a decision of the DRA and shall be final and binding on all and, without prejudice to any other provision of the Rules, any financial penalty or order as to costs shall be enforceable as a debt.

15 APPEALS IN CASES OF MINOR MISCONDUCT

- 15.1** Where a Misconduct issue has been dealt with by the Disciplinary Commissioner (under these DRA Rules), the person concerned may appeal in writing to the DRA within 14 days of being informed of the outcome of the case.
- 15.2** The appeal shall be considered by the Chair of the Disciplinary Committee. The appeal will be conducted by way of review, taking account the written representations of the person bound by the DRA Rules and/or his/her representative for the purpose of the appeal. Other than where the Chair of the Disciplinary Committee deems that there are exceptional circumstances, the appeal will be conducted by means of a paper review and without a formal hearing. The decision of the Chair of the Disciplinary Committee shall be final and binding and there will be no further right of appeal thereafter.
- 15.3** Pursuant to this Section, on an appeal, the Chair of the Disciplinary Committee has the discretion to impose a greater sanction than that originally imposed by the Disciplinary Commissioner.
- 15.4** The Chair of the Disciplinary Committee may order the unsuccessful Party to pay costs.

16 APPEALS AGAINST FINDINGS OF THE DISCIPLINARY COMMITTEE

- 16.1** Any person bound by the DRA Rules subject to proceedings brought by the DRA who is found by the Disciplinary Committee (or its Chair sitting alone) or the Disciplinary Committee with an Independent Chair or the Independent Disciplinary Panel to be guilty of Misconduct or to have committed a breach of these Rules shall have the right to appeal in accordance with this Section.
- 16.2** An appeal will only be considered once the disciplinary proceedings have concluded and a sanction imposed.
- 16.3** An appeal further to Section 16.1 shall be referred to the Appeals Committee. The Appeals Committee for each individual case shall consist of the Chair of the Appeals Committee alone or with one or two others co-opted to sit as members of the Appeals Committee.
- 16.4** A person bound by the DRA Rules and subject to a decision made under these Rules shall have 14 days to submit a Notice of Appeal from the date the relevant written decision is sent to the person affected. The written Notice of Appeal shall be sent, and must include copies of all relevant documents, to the DRA so as to be received by it within the 14 days deadline. The Notice of Appeal shall set out the specific aspect(s) of the decision being challenged on appeal, clearly stating whether the appeal is against the finding of guilt, or the sanctions imposed (or both) and the grounds upon which the

appeal is made. The Notice of Appeal must be accompanied by a deposit in the amount of £800 (subject to review by the DRA from time to time) as an initial security for the costs of the appeal.

- 16.5** The DRA reserves the right to seek a further security for the costs of the appeal to be lodged in cases where the costs are expected to exceed £800.
- 16.6** Notice of Appeal submitted late, or which otherwise fails to comply with 16.3 shall, in the absence of good cause shown, be rejected without the need for further consideration. In the event that a Party shall fail to comply with directions given by the Appeals Committee in the course of an appeal, the Appeals Committee may on the application of either party or of its own motion (with or without a hearing) order that the party in default take no further part in the proceedings or that the appeal be dismissed on such terms as to costs as may be reasonable.
- 16.7** As soon as possible following receipt of the Notice of Appeal, the Chair of the Disciplinary Committee shall advise the DRA Board on nominations for the role of Chair of the Appeals Committee.
- 16.8** Once the nomination is approved by the DRA Board, the Chair of the Appeals Committee shall decide on the composition of the Appeals Committee and inform the parties of its composition and in the case of a hearing, of the date, time and venue of it.
- 16.9** The Chair of the Appeals Committee shall have broad discretion to regulate the procedure of the Appeals Committee.
- 16.10** The Appeals Committee will consider and review all of the documents and evidence submitted to the Disciplinary Committee in the proceedings and will consider the appeal on paper. The Appeals Committee shall have absolute discretion to admit or refuse any new evidence tendered by any party and also to adjourn the proceedings for the purpose of taking any new evidence if it comes to light.
- 16.11** If the Chair of the Appeals Committee deems that there are exceptional circumstances, he/she may convene a hearing. In the case of such a hearing the Appeals Committee may require the attendance of any witnesses heard by the Disciplinary Committee.
- 16.12** In a case where the appeal is solely against the sanction imposed, it will be considered by the Appeals Committee by way of review, taking account the representations of the person concerned in writing. Other than where the Appeals Committee deems that there are exceptional circumstances the appeal will be conducted on paper without a hearing.
- 16.13** Having considered all of the evidence tendered to it and having allowed the parties to the appeal sufficient opportunity to make submissions on paper or in person at a hearing, the Appeals Committee will consider its decision.
- 16.14** A decision of the Appeals Committee is final.
- 16.15** The Appeals Committee may:
- 16.15.1** affirm the decision appealed against;
 - 16.15.2** set aside the decision appealed against and quash any finding made or sanction imposed;

- 16.15.3** set aside only part of the decision appealed against;
- 16.15.4** substitute for the findings of the Disciplinary Committee (as the case may be) its own decision on 'liability' (e.g., finding a person bound by the DRA Rules culpable of a lesser or greater offence) and/or substitute for the sanction imposed below its own sanction; and/or
- 16.15.5** take any other step that it considers necessary to deal justly with the appeal.
- 16.16** Pursuant to this Section, following an appeal, the Appeals Committee can impose a greater sanction than that which was imposed by the Disciplinary Committee.
- 16.17** The Appeals Committee may order a person bound by the DRA Rules (but for the avoidance of doubt, not the DRA) to pay all or part of the costs of the hearing.
- 16.18** In its decision, the Appeals Committee shall include a direction as to the treatment of the deposit made further to Rules 16.4 and 16.5, above.
- 16.19** The DRA shall have the right to appeal any decisions made by the Disciplinary Committee (where an Independent Chair has been appointed) or by the Independent Disciplinary Panel in which case the Appeals Committee will deal with the matter and the provisions of this Rule 16 will apply as amended appropriately.

17 SANCTIONS

- 17.1** Where a person bound by the DRA Rules is found guilty of Misconduct or otherwise in breach of the Rules, the Disciplinary Committee (with or without an Independent Chair), the Chair of the Disciplinary Committee sitting alone or the Independent Hearing Panel or the Appeals Committee (as the case may be) may impose upon the that person one or more of the following sanctions:

The fines will increase with each offence and may result in a Suspension on a fourth offence in a one-year period:

17.1.8.1 These fines will be amended from time to time at the discretion of the DRA and as specified in the PDC Order of Merit Rules. The fines are set for 2023 as:

17.5 In appropriate cases, the Disciplinary Commissioner, Disciplinary Committee or the Appeals Committee may recommend that a complete dossier of the evidence submitted in the course of the proceedings be prepared and sent to the relevant public authorities, with a view to an investigation being undertaken by such authorities to establish whether a criminal offence has been committed. In such an event, the Disciplinary Commissioner, Disciplinary Committee or the Appeals Committee (as the case may be) may at its sole discretion determine that the disciplinary proceedings against the person concerned be stayed pending the outcome of criminal proceedings and/or the results of any investigation undertaken by such authorities.

18 WAIVER OF MINOR PROCEDURAL IRREGULARITIES

18.1 Without prejudice to the right of the Disciplinary Committee and the Appeals Committee to regulate their own procedures, where at any time in the course of any disciplinary proceedings carried out under these Rules there has been a breach of procedure or failure to follow any direction given, this shall not invalidate the proceedings unless such breaches have been such as to seriously and irremediably prejudice the position of the person concerned.

19 COSTS

- 19.1** Each of the Disciplinary Committee (with or without an Independent Chair), the Chair of the Disciplinary Committee sitting alone or the Independent Hearing Panel and the Appeals Committee may order the person the subject of the proceedings to bear all or some of the costs of the proceedings held before it, including the costs of convening and holding the proceedings including any costs incurred by the DRA in relation to those proceedings, such as and not limited to the costs of investigations, forensic examinations and expert witnesses. They shall not apply retrospectively to matters arising prior to that date; provided, however, for the avoidance of doubt, that any offence found to have been committed under the anti-doping rules in force prior to that date shall be taken into account as a prior doping offence when applying the sanctioning provisions set out at Rule 10.
- 1.5.2. The DRA shall be responsible for overseeing the evolution and improvement of these Rules. Amendments to these Rules shall be approved and shall come into effect in accordance with the Memorandum and Rules of Association and the Rule Book of the DRA, save that amendments by WADA to the Code, the Prohibited List and any International Standards shall come into effect as set out in the Code.
- 1.5.3. Amendments to these Rules made pursuant to Rule 1.5.2 shall be binding upon all Persons to whom these Rules apply. In particular, Players and Player Support Personnel shall be deemed to accept such amendments as binding upon them without further formality.

Rule 2: Doping Offences

Each of the acts or omissions set out in Rules 2.1 to 2.8 below shall constitute a Doping Offence under these Rules:

- 2.1. The presence of a Prohibited Substance or its Metabolites or Markers in a Player's bodily Specimen, unless the Player establishes that the presence is pursuant to a Therapeutic Use Exemption granted in accordance with Rule 4.
 - 2.1.1. It is each Player's personal duty to ensure that no Prohibited Substance enters his/her body. Players are responsible for any Prohibited Substance or its Metabolites or Markers found to be present in their bodily Specimens. Accordingly, it is not necessary that intent, fault, negligence or knowing Use

on the Player's part be demonstrated in order to establish a Doping Offence under Rule 2.1; nor is the Player's lack of intent, fault, negligence or knowledge a valid defence to a charge that a Doping Offence has been committed under Rule 2.1.

- 2.1.2. Except for those substances for which a quantitative reporting threshold is specifically identified in the Prohibited List, the detected presence of any quantity of a Prohibited Substance or its Metabolites or Markers in an Player's Sample shall constitute a Doping Offence, unless the Player establishes that such presence is pursuant to a Therapeutic Use Exemption granted in accordance with Rule 4.
 - 2.1.3. As an exception to the general provision of Rule 2.1, the Prohibited List may establish special criteria for the evaluation of Prohibited Substances that can also be produced endogenously.
 - 2.1.4. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.1 is set out at Rule 10.2.
- 2.2.** Use or Attempted Use of a Prohibited Substance or a Prohibited Method, unless the Player establishes that the Use or Attempted Use is pursuant to a Therapeutic Use Exemption granted in accordance with Rule 4.
- 2.2.1. The success or failure of the Use of a Prohibited Substance or Prohibited Method is not material. For a Doping Offence to be committed, it is sufficient that the Prohibited Substance or Prohibited Method was Used or Attempted to be Used.
 - 2.2.2. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.2 is set out at Rule 10.2.
- 2.3.** Refusing or failing, without compelling justification, to submit to Sample collection after notification, as authorised in these Rules or other applicable anti-doping rules, or otherwise evading Sample collection.
- 2.3.1. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.3 is set out at Rule 10.4.
- 2.4.** Failure to comply with applicable requirements regarding Player availability for Out-Of-Competition Testing, including (without limitation) failure to provide required whereabouts information (as set out in Rule 5.5 or in analogous provisions of other applicable rules) and missed tests which are declared based on the provisions of Rule 5.5 or in analogous provisions of other applicable rules.
- 2.4.1. Rules 5.5.2, 5.5.3 and 5.5.4 set out the circumstances in which a failure by a Player to provide whereabouts information shall constitute a Doping Offence pursuant to this Rule 2.4.
 - 2.4.2. Rule 5.5.5 sets out the circumstances in which a Player's failure to be available for an Out-of-Competition Test shall constitute a Doping Offence pursuant to this Rule 2.4.

2.4.3. Where a Player who is subject to these Rules is also subject to the specific requirements of any other Anti-Doping Organisation approved and compliant with the WADA Code regarding Player availability for Out-of-Competition Testing, a failure to satisfy such requirements may be relied upon (including in combination with any analogous failure under these Rules) as the basis for bringing proceedings against the Player under these Rules for breach of this Rule 2.4.

2.4.4. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.4 is set out at Rule 10.4.3.

2.5. Tampering, or Attempting to Tamper, with any part of Doping Control.

2.5.1. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.5 is set out at Rule 10.4 of these Rules.

2.6. Possession of Prohibited Substances and Methods.

2.6.1. Possession by a Player at any time or place of a substance that is prohibited in Out-of-Competition Testing or a Prohibited Method is a Doping Offence under Rule 2.6 unless the Player establishes that the Possession is pursuant to a Therapeutic Use Exemption granted in accordance with Rule 4 or other acceptable justification.

2.6.2. Possession of a substance that is prohibited in Out-of-Competition Testing or a Prohibited Method by Player Support Personnel in connection with a Player, Tournament or practice is a Doping Offence under Rule 2.6, unless the Player Support Personnel establishes that the Possession is pursuant to a Therapeutic Use Exemption granted to a Player in accordance with Rule 4 or other acceptable justification.

2.6.3. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.6 is set out at Rule 10.2.

2.7. Trafficking in any Prohibited Substance or Prohibited Method.

2.7.1. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.7 is set out at Rule 10.4.2.

2.8. Administration or Attempted administration of a Prohibited Substance or Prohibited Method to any Player (unless the Player establishes that the administration or Attempted administration was pursuant to a Therapeutic Use Exemption granted in accordance with Rule 4), or assisting, encouraging, aiding, abetting, covering up or any other type of complicity involving a Doping Offence or any Attempted Doping Offence.

2.8.1. The period of Ineligibility imposed for a Doping Offence as defined in Rule 2.8 is set out at Rule 10.4.2.

Rule 3: The Prohibited List

3.1. Incorporation of the Prohibited List and the International Standard for the Prohibited List

- 3.1.1. These Rules adopt and incorporate the Prohibited List and the WADA International Standard for the Prohibited List, as amended from time to time. It shall be the responsibility of Participants to familiarise themselves with the Prohibited List and related Standard and all amendments thereto.
- 3.1.2. The current Prohibited List is available on the website of WADA (www.wada-ama.org).
- 3.1.3. The Prohibited List may be amended by WADA from time to time. Unless provided otherwise by WADA, such amendments shall come into effect under these Rules three months after publication of the amendments by WADA without requiring any further action by the DRA.
- 3.1.4. In relation to the category of drugs known as beta blockers, the Prohibited List refers to these in the context of the World Darts Federation (WDF). For the purpose of these Rules beta blockers are also similarly prohibited by the DRA².

3.2. Prohibited Substances and Prohibited Methods Identified on the Prohibited List

- 3.2.1. The Prohibited List identifies those Prohibited Substances and Prohibited Methods which are prohibited at all times (both In-Competition and Out-of-Competition) and those additional substances and methods which are prohibited In-Competition only.
- 3.2.2. Prohibited Substances and Prohibited Methods may be included in the Prohibited List by general category (e.g. anabolic agents) or by specific reference to a particular substance or method or sport.
- 3.2.3. Upon the recommendation of the DRA, the Prohibited List may be expanded by WADA for the sport of Darts, in which case such special provision shall be expressly identified in the Prohibited List.
- 3.2.4. WADA's determination of the Prohibited Substances and Prohibited Methods that will be included on the Prohibited List shall be final and shall not be subject to challenge by a Player or other Person on any grounds.

Rule 4: Therapeutic Use Exemptions

4.1. Incorporation of the International Standard for TUEs

- 4.1.1. The Code permits Players and their physicians to apply for permission to Use, for therapeutic purposes, substances or methods on the Prohibited List whose Use is otherwise prohibited.

² The prohibition of Beta Blockers will not be applied until 1st May 2023

- 4.1.2. The International Standard for TUEs sets out the circumstances in which Players may claim such a therapeutic use exemption (or "TUE"). These Rules adopt and incorporate that Standard, as amended from time to time. All Persons shall be deemed to accept the Standard and any amendments thereto as binding upon them without further formality.

4.2. Scope and Effect of TUEs

- 4.2.1. In order to excuse the presence or Use or Possession of a Prohibited Substance or Prohibited Method that would otherwise amount to a Doping Offence under Rule 2, a TUE must be obtained that covers such presence or Use or Possession, in accordance with this Rule 4.2.
- 4.2.2. Players should apply to the DRA Medical Advisor for a TUE in accordance with the rules of the DRA.
- 4.2.3. Subject only to Rule 4.7 (which identifies limited circumstances in which a TUE may be granted retrospectively) a Player must obtain a Therapeutic Use Exemption in accordance with Rule 4.3 prior to Using or Possessing the Prohibited Substance or Prohibited Method in question;
- 4.2.4. A Player may not apply to more than one Anti-Doping Organisation for a TUE. A Player subject to these Rules who applies for a TUE pursuant to the rules of another Anti-Doping Organisation shall report the grant or denial of the application immediately to the DRA by sending copies of the application and the decision.
- 4.2.5. In accordance with Rule 15.4 (Mutual Recognition) of the Code the DRA will recognise and respect any TUE granted to a Player by or on behalf of a Signatory, provided that the grant is consistent with the Code and is within that Signatory's authority. Otherwise, however, a Player subject to these Rules who requires a TUE must obtain one from the DRA Medical Advisor in accordance with this Rule 4.2.

4.3. TUE Application Process

- 4.3.1. Save where Rule 4.3.2 applies, a Player requiring a TUE must follow the process for standard TUE applications detailed in Rule 4.4.
- 4.3.2. In cases where the Prohibited Substance or Prohibited Method in question is recognised as appropriate for use to treat medical conditions frequently encountered in the Player population a Player may follow the process for abbreviated TUE applications detailed in Rule 4.4.3. The Prohibited Substances or Prohibited methods which may be permitted by this abbreviated process are strictly limited to Beta-2 agonists (formoterol, Salbutamol, Salmeterol and terbutaline) by inhalation, and glucocorticosteroids by non-systemic routes.

4.4. Grant of a Therapeutic Use Exemption

- 4.4.1. A Player may apply to the DRA Medical Advisor before he/she commences play in a Tournament for permission to play notwithstanding the fact that he is taking medication for therapeutic purposes which contains substances or methods on the Prohibited List. The application must be made in writing in

the Form I attached to these rules as **Appendix 1B**. If the application is made by any other method it must be acceptable to the DRA Medical Advisor and the authorisations contained in Form I shall be deemed to be given by the Player. Howsoever the application for a standard TUE is made the DRA Medical Advisor shall send a copy to the DRA.

- 4.4.2. An application for a standard TUE will be given prompt consideration in accordance with these rules. the DRA Medical Advisor will only grant the TUE in strict accordance with the following criteria, which it is the Player's burden to satisfy:
- a. Subject to Rules 4.2.4 and 4.7, the TUE application must be submitted to the DRA Medical Advisor as soon as the requirement for the TUE arises and (save in exceptional circumstances: see Rule 4.7) no less than 14 days before participating in a Tournament. The DRA Medical Advisor may in his sole discretion accept a later application if the DRA Medical Advisor is satisfied there is sufficient time for it to be dealt with.
 - b. The application must be completed in full, signed by the Player and the prescribing physician(s), and accompanied by all relevant medical information.
 - c. The Player would experience a significant impairment to health if the Prohibited Substance or Prohibited Method in question were to be withheld in the course of treating an acute or chronic medical condition.
 - d. The Therapeutic Use of the Prohibited Substance or Prohibited Method in question would produce no additional enhancement to performance other than that which might be anticipated by a return to a state of normal health following the treatment of a legitimate medical condition. The Use of any Prohibited Substance or Prohibited Method to increase "low-normal" levels of any endogenous hormone is not considered an acceptable Therapeutic intervention.
 - e. There is no reasonable Therapeutic alternative to the Use of the otherwise Prohibited Substance or Prohibited Method.
 - f. The necessity for the Use of the otherwise Prohibited Substance or Prohibited Method cannot be a consequence, wholly or in part, of the Player's prior non-Therapeutic Use of any substance from the Prohibited List.
- 4.4.3. An application for an abbreviated TUE must be made in writing in the Form II attached to these rules as **Appendix 1C**. If the application is made by any other method it must be acceptable to the DRA Medical Advisor and the authorisations contained in Form II shall be deemed to be given by the Player. Howsoever the application for an abbreviated TUE is made the DRA Medical Advisor shall send a copy to the DRA.
- 4.4.4. An abbreviated TUE will be deemed to have been granted on the date that the DRA Medical Advisor acknowledges receipt of a properly completed abbreviated TUE application; provided that the abbreviated TUE may be revoked at any time thereafter, in accordance with the provisions of the UK

Sport Anti-Doping Procedures Guide for Sport, if it is subsequently determined that the criteria for its grant are not satisfied.

- 4.4.5. A TUE (abbreviated or standard) will have a specified duration as decided on a case by case basis by the DRA Medical Advisor. It may also be granted subject to such conditions or restrictions as the DRA Medical Advisor may see fit. On expiry of the term of the TUE, a Player who wishes to continue to Use the Prohibited Substance or Prohibited Method in question must again apply for a TUE in accordance with this Rule 4.4.
- 4.4.6. A Player may not assume that his/her application for a TUE (or for renewal of a TUE) will be granted. Any Use or Possession of a Prohibited Substance or Prohibited Method before an application has been granted shall be entirely at the Player's own risk.
- 4.4.7. The submission of false or misleadingly incomplete information in support of a TUE application (including but not limited to the failure to advise of the unsuccessful outcome of a prior application to another Anti-Doping Organisation for such a TUE) may result in the bringing of disciplinary charges for misconduct against those involved pursuant to the disciplinary rules of the DRA or other applicable rules and/or the bringing of any other proceedings available in law or equity.

4.5. Expiration or Cancellation of a TUE

- 4.5.1. A TUE granted pursuant to these Rules:
 - a. shall expire in accordance with Rule 4.4.5 at the end of any term for which the TUE was granted;
 - b. may be cancelled by the DRA Medical Advisor if the Player does not promptly comply with any requirements or conditions imposed upon grant of the TUE; or
 - c. may be withdrawn by the DRA Medical Advisor in accordance with Rule 4.4.4 if it is subsequently determined that the criteria for grant of a TUE are not in fact met.
- 4.5.2. Expiration of a TUE pursuant to Rule 4.5.1(a) shall take effect automatically at the end of the term for which the TUE was granted without the need for any further notice or other formality.
- 4.5.3. Cancellation of a TUE pursuant to Rule 4.5.1(b) or withdrawal of a TUE pursuant to Rule 4.5.1(c) shall be notified by the DRA Medical Advisor to the Player in accordance with Rule 16.2 of these Rules, with copies to the DRA, and all other relevant Anti-Doping Organisations. Such notice shall take effect upon receipt, as specified in Rule 16.2.
- 4.5.4. In the event of an expiration, cancellation or withdrawal of the TUE pursuant to Rule 4.5.1, the Player shall not be subject to any Consequences based on his/her Use or Possession of the Prohibited Substance or Prohibited Method in question in accordance with the TUE at any time prior to the effective date of expiry, cancellation or withdrawal of the TUE. The review pursuant to Rule 7.2.1 of any subsequent Adverse Analytical Finding

shall include consideration of whether such finding is consistent with Use of the Prohibited Substance or Method prior to that date, in which event there shall be no case to answer.

4.6. Review of Decision Granting or Denying TUE Application or Revoking or Withdrawing TUE

- 4.6.1. A Player whose application for a TUE pursuant to these Rules is denied, or granted subject to conditions or restrictions, or subsequently revoked or withdrawn by the DRA Medical Advisor may appeal that decision to CAS in accordance with Rule 12.8.
- 4.6.2. Until such time as the grant of a TUE application made pursuant to these Rules or the denial of a TUE application made pursuant to these Rules has been overturned on appeal pursuant to Rule 4.6.1, such grant or denial shall remain in full force and effect.

4.7. Emergency or Retrospective Approval of a Therapeutic Use Exemption

- 4.7.1. Emergency or retrospective approval of an application for a TUE may be granted only where:
 - a. emergency treatment or treatment of an acute medical condition was necessary; or
 - b. due to exceptional circumstances, there was insufficient time or opportunity for the Player to submit, or for the DRA Medical Advisor to consider, an application prior to Doping Control.

4.8. Player Consent

- 4.8.1. A Player who seeks a TUE pursuant to these Rules consents to the processing of the TUE application as set out in the UK Sport Anti-Doping Procedures Guide for Sport, including:
 - a. the communication by the DRA Medical Advisor of the information in the application to members of the DRA Disciplinary Committee, officials and advisors of the DRA and (as required) on an anonymised basis to other independent medical or scientific experts consulted by the DRA Medical Advisor;
 - b. the disclosure by the Player's physician(s) of any further information required by the DRA Medical Advisor to process his/her TUE application; and
 - c. the communication of the grant or denial of a TUE, including the details of any conditions or restrictions on such grant, and any supporting documentation or information, to the DRA and other Anti-Doping Organisations.
- 4.8.2. Should the Player wish to revoke the consent set out at Rule 4.8.1, he/she must notify the DRA, the DRA Medical Advisor and his/her physician(s) in writing of the fact; provided that upon such revocation of consent the application for a TUE (or for renewal of an existing TUE) will be deemed

denied.

Rule 5: Testing

5.1. Incorporation of the International Standard for Testing

5.1.1. These Rules adopt and incorporate the WADA International Standard for Testing, as amended from time to time. All Persons shall be deemed to accept that Standard and any amendments thereto as binding upon them without further formality.

5.2. Jurisdiction to Test

5.2.1. All Players who are subject to these Rules must make themselves available for and must submit to Doping Control (urine and/or blood) at any time (whether In-Competition or Out-of-Competition, with notice or with No Advance Notice) pursuant to these Rules, whether in the UK or overseas.

5.2.2. Testing conducted pursuant to these Rules shall be carried out in substantial conformity with the International Standard for Testing in force at the time of Testing.

5.2.3. Other Anti-Doping Organisations concerned with the sport of Darts may also have jurisdiction to test Players who are subject to these Rules, in accordance with Rule 15 of the Code. The DRA shall recognise such Testing in accordance with Rule 15.4 (Mutual Recognition) of the Code where the Anti-Doping Organisation is concerned with the sport of Darts and may bring proceedings against a Player pursuant to these Rules for a Doping Offence arising in relation to such Testing.

5.3. In-Competition Testing

5.3.1. At all Tournaments, the DRA shall determine the number of Players to be selected for Testing in each Tournament and the procedures for selecting the Players for Testing.

5.3.2. The DRA may provide Independent Observers with access to Testing conducted at DRA sanctioned Tournaments pursuant to these Rules, subject to reasonable advance notice.

5.4. Out-of-Competition Testing

5.4.1. In addition to the general Rule 5.2.1 obligation on all Players who are subject to these Rules to submit to Testing, including Out-of-Competition Testing, the DRA may establish a pool (the **Registered Testing Pool**) of Players who are required to provide up-to-date whereabouts information and to make themselves available for Testing at such whereabouts in accordance with its rules and the failure by a Player to satisfy such filing requirements and/or to be available for Testing at such whereabouts according to the applicable rules may be relied upon as the basis for the bringing of proceedings against the Player for breach of Rule 2.4.

5.4.2. The DRA will from time to time publish the constituents of the Registered

Testing Pool.

5.5. Additional Obligations on Players in a Testing Pool

- 5.5.1. Each Player, on inclusion in the Registered Testing Pool, shall provide personal details required for carrying out Testing, including details of any registered or other disabilities (including intellectual, sensorial or physical), as requested of the Player by the DRA.
- 5.5.2. Each Player in the Registered Testing Pool shall file whereabouts information, and shall make him/herself available for Testing at such whereabouts in accordance with these anti-doping rules. A failure by any Player in the Registered Testing Pool to satisfy such requirements shall be counted as a failure under these Rules for purposes of Rules 5.5.4 and 5.5.5 respectively and may therefore form the basis for the bringing of proceedings against the Player for breach of Rule 2.4.
- 5.5.3. Each Player in the Registered Testing Pool shall file quarterly reports with the DRA in the manner requested by the DRA, specifying a minimum of one location a day, for a minimum of five days a week, identifying times on those days when a Player will be at that location for not less than one hour. Locations could include, but are not limited to a Player's place of residence, work or training venue. Players shall update this information as necessary so that it is current at all times.
- 5.5.4. A Player in the Registered Testing Pool who receives a written warning from the DRA for failure to submit a required quarterly whereabouts report or any necessary update as required by Rule 5.5.3 and yet fails to file such report or update within seven working days of receipt of the warning shall be deemed to have failed to comply with Rule 5.5.3. It shall be a Doping Offence pursuant to Rule 2.4 for a Player to fail three separate times in any period of 18 consecutive months to comply with Rule 5.5.3.
- 5.5.5. It shall be a Doping Offence pursuant to Rule 2.4 for any Player in the Registered Testing Pool to miss a test (i.e. to be unavailable for Testing at his/her declared whereabouts), without compelling justification, on three occasions during any period of 18 consecutive months. Notice shall be sent to the Player in respect of each attempt which the DRA proposes to count as a missed test, inviting the Player to provide a written explanation for missing the test. If the DRA considers that the explanation provided shows that the Player was reasonably prevented from updating his/her most recent whereabouts report to notify the DRA that he/she would not be available at that location, or that there were exceptional circumstances why he/she was not available at that location, the attempt will not be counted as a missed test. Otherwise, however, the attempt will be counted as a missed test for purposes of Rule 2.4. Such determination shall be without prejudice to the Player's right to submit such explanation as part of his/her defence to any proceedings subsequently brought against him/her pursuant to Rule 2.4.
- 5.5.6. A Player is personally responsible for compliance with the provisions of this Rule. It shall not be a defence to proceedings brought further to Rule 2.4 that a Player delegated responsibility for compliance to another Person and that Person failed to ensure compliance.

- 5.5.7. A Player who is in the Registered Testing Pool shall continue to be subject to the additional requirements set out in this Rule 5.5 unless and until the DRA has informed him/her that he/she no longer satisfies the criteria for inclusion in the Registered Testing Pool, or has retired from Darts.

5.6. Selection of Players for a Test

- 5.6.1. The DRA will select Players for Testing using Target Testing, Weighted and random selection methods, in accordance with the International Standard for Testing in force at the time of selection.
- 5.6.2. As a minimum, the DRA shall consider Target Testing of Players based on the following information:
- a. withdrawal or absence from expected Competition;
 - b. coming out of retirement;
 - c. behaviour indicating doping;
 - d. sudden major improvements in performance;
 - e. changes in the Player's whereabouts information that can indicate a potential increase in the risk of doping, including moving to a remote location;
 - f. the Player's sport performance history;
 - g. details of the Player's past Doping Controls;
 - h. the Player's reinstatement after a period of Ineligibility; and
 - i. reliable information from a third party.
- 5.6.3. In order to preserve the ability to conduct No Advance Notice Testing, those who become aware of the selection of a Player for Testing shall only disclose such information on a strictly need-to-know basis. Any failure to comply with this requirement may result in the bringing of disciplinary charges for misconduct against those involved pursuant to the disciplinary rules of the DRA or other applicable disciplinary rules and/or the bringing of any other proceedings available in law or equity.

5.7. Testing of Minors

- 5.7.1. Testing under these Rules may only be conducted on a Minor where a Person with legal responsibility for that Minor has given prior written consent.
- 5.7.2. Where the Minor is included in the Registered Testing Pool, such consent must be provided upon notification of inclusion in the pool as a pre-condition to further participation in the sport. In all other cases, such consent must be provided at the time of the Testing in question as a pre-condition to further participation in the sport. In addition, the rules of a particular Tournament may require the provision of consent pursuant to Rule 5.7.1 as a pre-condition of participation by any Minor in the Tournament.

Rule 6: Analysis of Samples

6.1. Incorporation of the International Standard for Laboratories

These Rules adopt and incorporate as far as practicable the WADA International Standard for Laboratories, as amended from time to time. All Persons shall be deemed to accept that Standard and any amendments thereto as binding upon them without further formality.

6.2. Use of Approved Laboratories

- 6.2.1. Samples collected under these Rules shall be sent for analysis to WADA-accredited or UKAS accredited laboratories.
- 6.2.2. Laboratories shall analyse Samples collected under these Rules and shall report analytical results in substantial conformity with the International Standard for Laboratories applicable at the time of analysis.
- 6.2.3. Save in the circumstances set out at Rule 7.3.5, the DRA shall be responsible for the costs of analysis of Samples under these Rules.

6.3. Substances Subject to Detection

Samples shall be analysed to detect Prohibited Substances and Prohibited Methods identified on the Prohibited List and other substances as may be directed by WADA pursuant to the Code.

6.4. Research on Samples

- 6.4.1. All Samples provided by a Player for the purposes of Doping Control under these Rules shall be the property of the DRA, and the DRA shall be entitled (subject to Rule 6.4.2) to determine all matters regarding the analysis and disposal of such Samples.
- 6.4.2. No Sample may be used for any purpose other than the detection of substances (or classes of substances) or methods on the Prohibited List, or as otherwise identified by WADA, without the Player's written consent.
- 6.4.3. For the avoidance of doubt, a Sample may be stored after initial analysis and subsequently re-analysed where considered appropriate based on the development of new knowledge or information arising after the initial analysis of the Sample.

6.5. Reporting by Laboratories

- 6.5.1. The results of the analysis of a Sample collected under these Rules shall be set out in a report signed by an authorised representative of the laboratory.
- 6.5.2. Any Adverse Analytical Findings reported by the laboratory shall be dealt with in accordance with the provisions of Rule 7.

Rule 7: Results Management

7.1. Responsibility for Results Management

- 7.1.1. Results management and the investigation of possible Doping Offences shall proceed pursuant to these Rules where the Person involved is subject to these Rules and the conduct in question (i.e. the Adverse Analytical Finding, the failure to file whereabouts information, the missed test or other apparent Doping Offence):
- a. was identified by a Doping Control conducted pursuant to these Rules or otherwise arose in relation to these Rules; or
 - b. was identified by a Doping Control conducted pursuant to other applicable rules (e.g. at a Tournament) or otherwise arose in relation to those other rules (e.g. a failure to satisfy the whereabouts requirements applicable under those rules), or it is otherwise appropriate in all of the circumstances for the DRA to take jurisdiction over the matter.
- 7.1.2. In accordance with the Code, the DRA may provide for different rules to apply for results management and the conduct of hearings in relation to Players under the jurisdiction of the DRA who are not citizens of or resident in the UK.

7.2. Initial Review Regarding Adverse Analytical Findings

- 7.2.1. Upon receipt of an Adverse Analytical Finding in relation to an A Sample the DRA Medical Advisor on behalf of the DRA shall conduct a review as soon as reasonably practicable of any TUE file maintained in relation to the Player as well as of the documentation relating to the Doping Control and the A Sample analysis to determine whether:
- a. the Player holds a valid and applicable TUE; or
 - b. there has been a material departure from the International Standard for Testing in force at the time of Testing or analysis of the Sample in question;
- and in the event of such a material departure then the DRA Medical Advisor shall determine whether the departure undermines the validity of the Adverse Analytical Finding.
- 7.2.2. If it is determined pursuant to Rule 7.2.1 either that the Player holds a valid and applicable TUE, or that there has been a material departure from the applicable International Standard for Testing that undermines the validity of the Adverse Analytical Finding, then no further action shall be taken in relation to such Adverse Analytical Finding; provided, however, that the Player may subsequently be made the subject of Target Testing.
- 7.2.3. If it is determined pursuant to Rule 7.2.1 that there is neither a valid and applicable TUE nor a material departure from the applicable International Standard for Testing that undermines the validity of the Adverse Analytical Finding, then the DRA Medical Advisor will notify the member as soon as practicable thereafter and in confidence that the analysis of the A Sample indicates an Adverse Analytical Finding and will invite the Player to attend the analysis of the B Sample.

7.3. B Sample Analysis

- 7.3.1. The B Sample analysis shall take place as soon as reasonably practicable, on a date arranged by the DRA Medical Advisor with the laboratory, but not within seven days after the member has been notified of the Adverse Analytical Finding of the A Sample. The B Sample analysis should be completed within 30 days after the member has been notified of the Adverse Analytical Finding of the A Sample. There shall be no need to conduct analysis on the B Sample if the Player either admits in writing the commission of a doping offence or notifies the DRA Medical Advisor in writing that he/she waives such right for the analysis to be performed. A Player's request to attend the analysis of the B Sample must be received by the DRA Medical Advisor within 14 days of notification of the date of the analysis, or else it shall be deemed waived and the Adverse Analytical Finding in respect of the A Sample shall be deemed to have been accepted by the Player.
- 7.3.2. Where the Player exercises his/her right to have the B Sample analysed or if (where the Player waives his/her right) the DRA sees fit the analysis shall be conducted at the same laboratory at which the A Sample was analysed (although not analysed by the same analyst who tested the A Sample). The Player and/or his or her representative shall have a right to attend on that date at their cost to witness the opening and analysis of the B Sample, as shall representatives of the DRA. There shall be no right to an adjournment of the date. If the Player or his representative is unable to attend on the designated date, then the laboratory shall arrange for an independent witness to attend the B Sample analysis.
- 7.3.3. If the B Sample analysis tests negative for the Prohibited Substance or Prohibited Method that was found in relation to the A Sample, the entire test shall be considered negative and the Player and the DRA Medical Advisor will be so informed. In such circumstances, any Provisional Suspension imposed on the Player pursuant to Rule 7.5 shall expire automatically and no further disciplinary action shall be taken against the Player in relation to the original Adverse Analytical Finding; provided, however, that he/she may subsequently be made the subject of Target Testing.
- 7.3.4. If the B Sample analysis tests positive for the Prohibited Substance or Prohibited Method that was found in relation to the A Sample then the DRA Medical Advisor shall notify the Player as soon as practicable thereafter and in confidence that the analysis of the B Sample indicates an Adverse Analytical Finding.
- 7.3.5. If the B Sample analysis tests negative for the Prohibited Substance or Prohibited Method that was found in relation to the A Sample, the DRA shall be responsible for the costs of the B Sample analysis. If the B Sample analysis tests positive for the Prohibited Substance or Prohibited Method that was found in relation to the A Sample, however, then the DRA may require the Player to pay the costs of the B Sample analysis.
- 7.3.6. The DRA Medical Advisor shall in addition to notifying a Player of an Adverse Analytical Finding of a B-Sample also notify the DRA Board which may take legal advice on whether there shall be deemed to be a case to answer under Rule 2 and the matter shall proceed as set out in Rule 7.6; save

that where the Prohibited List requires further investigation be undertaken in relation to an Adverse Analytical Finding to determine whether there is a case to answer, the DRA shall first in accordance with the DRA Disciplinary Rule Book write to the Player, advising him/her of:

- a. the Adverse Analytical Finding;
 - b. the determination made pursuant to Rule 7.2.1; and
 - c. the further investigation that is required to be undertaken to determine whether there is a case to answer.
- 7.3.7. The Player shall co-operate fully with the further investigation required by the Prohibited List so that it may be determined as soon as reasonably practicable whether there is a case to answer in relation to the Adverse Analytical Finding. Any failure to do so:
- a. may, if it involves refusal to submit to Doping Control, constitute a separate Doping Offence under these Rules; and
 - b. without prejudice thereto, may result in the bringing of disciplinary charges for misconduct against the Player pursuant to the Disciplinary Rule Book of the DRA or other applicable disciplinary rules.
- 7.3.8. If it is determined following further investigation in accordance with Rule 7.3.7 that there is a case to answer under Rule 2, then the matter shall proceed as set out in Rule 7.6. If it is determined following such further investigation that there is no case to answer, however, then no further action shall be taken in relation to the Adverse Analytical Finding and the Player shall be advised accordingly; provided, however, that the Player may subsequently be made the subject of Target Testing.

7.4. Review of Evidence Other Than Adverse Analytical Findings

- 7.4.1. Where a matter arises that involves evidence of a Doping Offence other than an Adverse Analytical Finding, then the DRA shall conduct any further investigation required in order to determine whether there is a case to answer under Rule 2, including the seeking of any additional information. This may include, where the DRA considers it appropriate to do so, giving the Person(s) implicated in the alleged Doping Offence an opportunity, subject to compliance with a strict timetable, to make such submissions as he/she may wish. If the DRA decides to invite such submissions, a formal hearing is not required to be held. Instead, the DRA shall determine how the submissions should be made, such as (for example) in writing, or by telephone conference.
- 7.4.2. Failure by any Participant to cooperate in full with an investigation undertaken in accordance with Rule 7.4.1 may result in the bringing of disciplinary charges for misconduct against those involved pursuant to the Rule Book of the DRA or other applicable disciplinary rules.
- 7.4.3. Where, following the conclusion of any investigation and assessment of the evidence, the DRA concludes that there is no case to answer under Rule 2, no further action shall be taken; provided, however, that the Player may

subsequently be made the subject of Target Testing.

- 7.4.4. Where, following the conclusion of any investigation and assessment of the evidence, the DRA in accordance with the DRA Rule Book concludes that there is a case to answer under Rule 2, the matter shall proceed as set out in Rule 7.6.

7.5. Provisional Suspensions

- 7.5.1. Upon a determination pursuant to Rule 7.2.3 or 7.3.8 or 7.4. that there is a case to answer under Rule 2, the DRA may Provisionally Suspend the Player with immediate effect in accordance with the DRA Rule Book.

- 7.5.2. In the event that the DRA Provisionally Suspends an Player pursuant to Rule 7.5.1, the Player shall be notified as soon as practicable (by sending him/her notice as set out in Rule 7.6) and shall be advised that he/she has the choice of:

EITHER

- a. the right to a full hearing on the charge(s) against him/her pursuant to Rule 8, to take place (save in exceptional circumstances) no later than 14 days after the date of imposition of the Provisional Suspension, unless otherwise agreed by the Player;

OR

- b. the right, pending a full hearing on the charge(s) against him/her pursuant to Rule 8, to make an appeal in accordance with the DRA Rule Book, showing cause why the Provisional Suspension should be lifted in advance of the full hearing; Provided That:
- i. the submissions shall be made in writing or (if the appointed person considering the appeal so orders) by a telephone conference. There shall be no right to personal attendance before the said appointee, unless he/she so orders;
 - ii. the Provisional Suspension shall remain in place pending the decision of the said appointee; and
 - iii. the Provisional Suspension shall not be lifted unless there are exceptional circumstances, such as clear mistaken identity or other patent flaw in the case against the Player. The fact that the Provisional Suspension will stop the Player competing in a particular Tournament shall not of itself qualify as exceptional circumstances for these purposes;

AND

- c. if the said appointee upholds the Provisional Suspension, the right to an expedited appeal against that decision to the Chairman of the Appeals Committee, to be heard on the same basis as the said appointee heard the initial challenge, provided that the Player may forego the foregoing appeals in favour of an appeal to CAS in accordance with Rule 12.3.

- 7.5.3. A Person who is subject to a Provisional Suspension may not, during the period of Provisional Suspension, participate in any capacity in a Tournament or Event subject to the DRA Rule Book, wherever held. In addition, the DRA shall seek to have the Provisional Suspension recognised by other Anti-Doping Organisations pursuant to Rule 15.4 (Mutual Recognition) of the Code.

7.6. Notice of Charge

- 7.6.1. Where it is determined, in accordance with the DRA Rule Book, that a Participant has a case to answer under Rule 2, then the DRA shall as soon as practicable notify the Participant in writing of:
- a. the Doping Offence(s) that the Participant is charged with committing;
 - b. a summary of the facts and evidence relied upon by the DRA in support of such charge. Where the charge is based upon an Adverse Analytical Finding, a copy of the A and B Samples laboratory documentation packages shall be enclosed with the written notice;
 - c. confirmation of any Provisional Suspension that has been imposed on the Participant pursuant to Rule 7.5, along with an explanation of his/her Rule 7.5.2 rights in relation to such Provisional Suspension;
 - d. the Consequences arising under these Rules if it is established that the Participant has committed the Doping Offence(s) charged (including identifying any discretion that may exist in relation to such Consequences under these Rules);
 - e. the right of the Participant, if so advised, to admit the Doping Offence(s) charged, together with confirmation that in such case the matter shall proceed as set out in Rule 8.1.2; and
 - f. alternatively, the right of the Participant, if so advised, to deny the Doping Offence(s) charged and to have the charge heard by the Disciplinary Committee or the Independent Disciplinary Panel under the DRA Rule Book, in which case the matter shall proceed as set out in Rule 8.1.
- 7.6.2. The Participant must ensure that the DRA receives his/her written reply to the Rule 7.6.1 notice within 14 days of the date of the Rule 7.6.1 notice. Otherwise, the Participant shall be deemed to have admitted the charge set out in the Rule 7.6.1 notice and to have waived his/her right to a hearing, and the matter shall proceed as set out in Rule 8.1.2. In his/her reply, the Participant must either:
- a. admit the Doping Offence(s) charged, in which case the reply must set out in summary form any contentions that the Participant wishes to advance as to the Consequences that should be imposed (if any) for such offence, and the matter shall proceed as set out in Rule 8.1.2;
 - b. deny the Doping Offence(s) charged, in which case the reply must set out in summary form the arguments, facts and evidence upon which such denial is based. In that event, the matter shall proceed to a hearing as set

out in Rule 8.1.1, unless the charge is based on an Adverse Analytical Finding.

7.7. Statute of Limitations

- 7.7.1. Notwithstanding any other provision of these Rules, no charge may be brought against a Player or other Person for a Doping Offence as defined in Rule 2 more than eight years after the date that the alleged Doping Offence occurred.

Rule 8: Disciplinary Proceedings

8.1. Hearings before a Disciplinary Committee or Independent Disciplinary Panel

- 8.1.1. Where the Person who is the subject of a Rule 7.6 notice (referred to sometimes hereafter as a "Respondent") denies a charge that he/she has committed a Doping Offence, a hearing shall be held before the Disciplinary Committee or the Independent Disciplinary Panel in accordance with the provisions of the DRA Rule Book for the Disciplinary Committee or Independent Disciplinary Panel to determine whether a Doping Offence has been committed, and (if so) what the Consequences (if any) shall be.
- 8.1.2. Where a Respondent admits a charge that he/she has committed a Doping Offence:
- a. if he/she seeks to rely on Rule 10.3 and/or Rule 10.5 and/or if the Consequences specified under these Rules for such offence are not automatic (i.e. if discretion exists in relation to any of such Consequences), then a hearing shall be held before the Disciplinary Committee or the Independent Disciplinary Panel in accordance with the provisions of the DRA Rule Book for the Disciplinary Committee or the Independent Disciplinary Panel to determine what the Consequences (if any) shall be; provided that in circumstances where the DRA and the Respondent have a joint view as to the Consequences that should be imposed, then by agreement of the parties the matter may be heard by the Chair of the Disciplinary Committee or the Independent Disciplinary Panel sitting alone, and/or on written submissions alone. For the avoidance of doubt, however, the Chair of the Disciplinary Committee or Independent Disciplinary Panel shall not be bound in any way by the parties' joint view but will retain the discretion conferred by these Rules in relation to the Consequences to be imposed;
 - b. if he/she does not seek to rely on Rule 10.3 and/or Rule 10.5 and if the Consequences specified under these Rules for such offence are automatic (i.e. no discretion exists in relation to any of the Consequences), or if he/she does not seek the exercise of such discretion in his/her favour, then no Disciplinary Committee or Independent Disciplinary Panel shall be convened to hear the matter but instead the Chair of the Disciplinary Committee or Independent Disciplinary Panel, at the request of the DRA, shall issue a written decision confirming the commission of the Doping Offence charged and the imposition of the maximum Consequences specified in these Rules for such offence.

8.2. Convening the Hearing

- 8.2.1. Where a matter is referred to a hearing pursuant to Rule 8.1, a Disciplinary Committee or Independent Disciplinary Panel shall be convened to hear and determine the charge in accordance with the DRA Rule Book.
- 8.2.2. Any proceedings and Hearing shall be conducted in accordance with the procedures set out in the DRA Rule Book.

8.3. Burdens and Standards of Proof

- 8.3.1. The DRA shall have the burden of establishing that the Respondent has committed a Doping Offence. The standard of proof shall be whether the DRA has established the Respondent's commission of a Doping Offence to the comfortable satisfaction of the Disciplinary Committee or Independent Disciplinary Panel, bearing in mind the seriousness of the allegation that is made. This standard of proof in all cases is greater than a mere balance of probability but less than proof beyond a reasonable doubt. The standard of proof will be deemed amended in the DRA Rule Book in relation to Doping Offence matters governed by these Rules.
- 8.3.2. Where these Rules place the burden of proof upon the Respondent to rebut a presumption or establish specified facts or circumstances, the standard of proof shall be by a balance of probability.

8.4. Methods of Establishing Facts and Presumptions

- 8.4.1. The Disciplinary Committee or Independent Disciplinary Panel shall not be bound by judicial rules governing the admissibility of evidence. Instead, facts relating to Doping Offences may be established by any reliable means, including admissions.
- 8.4.2. The following rules shall apply at the hearing and in any appeal proceedings:
 - a. WADA-accredited and UKAS-accredited laboratories shall be presumed to have conducted Sample analysis and custodial procedures in accordance with the applicable International Standard for Laboratories. The Respondent may rebut this presumption by establishing that a departure from this International Standard occurred. If the Respondent rebuts the presumption by showing that a material departure from this International Standard occurred, then the DRA shall have the burden of establishing that such material departure did not cause the Adverse Analytical Finding or the factual basis for another Doping Offence.
 - b. Material departures from the International Standard for Testing which did not cause an Adverse Analytical Finding or the factual basis for another Doping Offence shall not invalidate such evidence. If the Respondent establishes that material departures from the International Standard occurred during Testing, then the DRA shall have the burden of establishing that such material departures did not cause the Adverse Analytical Finding or the other factual basis for the Doping Offence charged.
 - c. Any other deviation from these Rules or the procedures referred to herein

shall not invalidate any finding, decision or result under these Rules unless it was such as to cast material doubt on that finding, decision or result.

8.5. Decisions of the Disciplinary Committee or Independent Disciplinary Panel

- 8.5.1. The Disciplinary Committee or Independent Disciplinary Panel shall communicate its decision either at the time of the hearing or as soon as possible thereafter in writing to the Player and shall issue its reasoned decision in writing, dated and signed, within 15 working days of the end of the hearing. The decision shall set out and explain:
- a. the Disciplinary Committee's or Independent Disciplinary Panel's findings, with reasons, as to what Doping Offence(s), if any, has/have been committed;
 - b. what Consequences, if any, the Disciplinary Committee or Independent Disciplinary Panel is imposing as a result of such findings. In any case in which the period of Ineligibility is eliminated under Rule 10.5.1 or reduced under Rule 10.5.2, the reasoned decision shall explain in detail the basis for the elimination or reduction. In a case in which the Disciplinary Committee or Independent Disciplinary Panel exercises discretion conferred on it (such as under Rule 9.2.1 or Rule 10.3), the reasoned decision shall explain the basis on which the Disciplinary Committee or Independent Disciplinary Panel has determined that such discretion was triggered as well as the basis for the manner in which such discretion was exercised; and
 - c. the rights of appeal applicable pursuant to Rule 12 of these Rules.
- 8.5.2. Decisions of the Disciplinary Committee or Independent Disciplinary Panel may be challenged only by appeal as set out in Rule 12. Subject thereto, the decision shall be the full, final and complete disposition of the matter and will be binding on all parties identified in Rule 12.2.1.
- 8.5.3. Where the Disciplinary Committee or Independent Disciplinary Hearing Panel has determined that a Doping Offence has been committed, the DRA shall disclose the decision publicly no later than 28 days after the date of the decision, unless the Respondent appeals against the decision, in which case there shall be no public disclosure pending resolution of the appeal.
- 8.5.4. Where the decision of the Disciplinary Committee or Independent Disciplinary Panel is that a Doping Offence has not been committed, then the DRA shall not disclose the decision publicly unless the Respondent consents to such disclosure. Where the Respondent does not so consent, the DRA may publicly disclose a summary of the decision, provided that what is disclosed does not enable the public to identify the Respondent.

Rule 9: Disqualification of Results

9.1. Disqualification of Results in Relation to a Tournament

A Doping Offence in connection with a Tournament automatically leads to

Disqualification of the individual result obtained by the Player in that Tournament with all resulting consequences, including forfeiture of any medals, points and prizes.

9.2. Disqualification of Results in Tournaments Subsequent to Sample Collection

9.2.1. Unless fairness requires otherwise, in addition to the automatic Disqualification under Rule 9.1 of the Player's individual result in the Tournament which produced the positive Sample, all other competitive results obtained by the Player from the date a positive Sample was collected (whether In-Competition or Out-of-Competition) or other Doping Offence occurred, until the commencement of any Ineligibility period, shall be disqualified with all of the resulting consequences including forfeiture of any medals, points and prizes.

9.2.2. Rule 9.2.1 implements the relevant provisions of the Code.

9.3. Effect on Team Results

9.3.1. If the Tournament during or in connection with which the Player committed the Doping Offence at issue was a team Tournament, the consequences (if any) of the Player's commission of a Doping Offence for the results obtained by the team in that Tournament and subsequently shall be determined by the applicable Tournament rules.

9.3.2. Further consequences for teams fielding Players who commit Doping Offences are set out at Rule 11 of these Rules.

9.4. Impact on Opponent's Results

There will be no adjustment of results, medals, points, prizes or other consequences for the opponent of a Player (or the team of a Player) subsequently found to have committed a Doping Offence, save as may be specifically set out in the rules or regulations of the organiser of the Tournament or competition of which the relevant event forms part including in relation to the winner, runner-up or other players.

Rule 10: Ineligibility Sanctions for Individuals

10.1. Periods of Ineligibility imposed on individuals for Doping Offences by the Disciplinary Committee or the Independent Disciplinary Panel will be calculated by reference to those periods set out in Article 10 of the 2021 UK Anti-Doping Rules for the specific breaches identified, including in relation to reduction or elimination or any increase (for aggravating factors or multiple violations) or in relation to Results Management Agreements that may be considered appropriate to apply to the Periods of Ineligibility as envisaged by those Rules. The 2021 UK Anti-Doping Rules will be applied mutatis mutandis to these Rules for those purposes.

10.2. [Left deliberately blank]

10.3. Commencement of Ineligibility Period

- 10.3.1. The period of Ineligibility shall start on the date of the written decision of the Disciplinary Committee or Independent Disciplinary Hearing Panel providing for Ineligibility.
- 10.3.2. Any period of Provisional Suspension (whether imposed or voluntarily accepted) shall be credited against the total period of Ineligibility to be served.
- 10.3.3. Where required by fairness, such as delays in the hearing process or other aspects of Doping Control not attributable to the Player, the Disciplinary Committee or Independent Disciplinary Panel may provide that the period of Ineligibility shall start at an earlier date, commencing as early as the date of Sample collection.

10.4. Status During Ineligibility

- 10.4.1. A Person who has been declared Ineligible may not, during the period of Ineligibility, participate in any capacity in a Tournament or other activity (other than authorised anti-doping education or rehabilitation programmes) organised, convened or authorised by the DRA or by any body that is a member of, or affiliated to, or licensed by the DRA.
- 10.4.2. Further to Rule 10.9 of the Code, a Person subject to a Period of Ineligibility of longer than four years may, after completing four years of the Period of Ineligibility, participate in local sport events in another sport, but only so long as the local sport event is not at a level that could otherwise qualify such Person directly or indirectly to compete in (or accumulate points toward) a national championship or professional event.

10.5. Reinstatement Testing

- 10.5.1. As a condition of regaining eligibility at the end of a specified period of Ineligibility, a Player must, during any period of Provisional Suspension or Ineligibility, make him/herself available for Out-of-Competition Testing by the DRA and any other Anti-Doping Organisation having Testing jurisdiction over him/her and must, if requested, provide current and accurate whereabouts information as provided in these Rules for purposes of Out-of-Competition Testing.
- 10.5.2. If a Player subject to a period of Ineligibility retires from the sport of Darts and later seeks reinstatement, the Player shall not be eligible for reinstatement until the Player has notified the DRA and other Anti-Doping Organisations with Testing jurisdiction over him/her of his/her desire for reinstatement and has been subject to potential Out-of-Competition Testing for a period of time equal to the period of Ineligibility remaining as of the date that the Player retired.
- 10.5.3. Testing by any Anti-Doping Organisation with Testing jurisdiction may be used to satisfy the Testing requirements of this Rule 10.5.

10.5.4. Once the period of a Player's Ineligibility has expired and the Player has fulfilled all conditions of reinstatement, then provided the Player has satisfied in full all forfeiture penalties due under Rule 9, the Player will become automatically re-eligible to compete and no application by the Player for reinstatement will then be necessary (unless the Player is otherwise ineligible for reasons not related to the Doping Offence for which the expired period of Ineligibility was imposed).

10.6. Additional Consequences

The imposition of Consequences pursuant to these Rules shall be without prejudice to the right of the DRA to adopt criteria for a Participant's qualification for team selection based on whether the Participant has committed any Doping Offence.

Rule 11: Consequences To Teams

11.1 Where more than one member of a team has been notified of a possible Doping Offence under Rule 7 in connection with an Event, the team shall be subject to Target Testing for the Event.

11.2 If more than one member of a team is found to have committed a Doping Offence during the Event, then the rules of the DRA or (in default thereof) of the organiser of the Event may provide that the team shall be subject to Disqualification or other disciplinary action. In addition, misconduct charges may be brought against the team under the Disciplinary Rules of the DRA or other applicable rules.

Rule 12: Appeals

12.1. 12.1 Decisions Subject to Appeal

Subject only to Rule 15, decisions made under these Rules may be challenged only by appeal exclusively as set out in this Rule 12. Such decisions shall remain in effect while under appeal unless the appellate body orders otherwise.

12.2. Appeals from Decisions Relating to a Therapeutic Use Exemption

TUE decisions may be appealed by a Player to CAS in accordance with Rule 12.7.

12.3. Appeals from Decisions Imposing Provisional Suspensions

12.3.1. Only a Participant upon whom a Provisional Suspension is imposed may appeal against the decision to impose the Provisional Suspension.

12.3.2. The Participant who is Provisionally Suspended may appeal, at his/her election, either:

- a. in accordance with Rule 7.5.2; or

12.4. Appeals from Decisions Regarding Doping Offences and Consequences

12.4.1. A decision that a Doping Offence was committed, a decision imposing

Consequences for a Doping Offence, a decision that no Doping Offence was committed, or a decision in relation to any Results Management or any Consequences, or in relation to any other decisions, may be appealed by any of the following parties exclusively as provided in this Rule 12:

- a. the Player;
- b. the DRA;
- c. where any of the above decisions or consequences directly concern Player Support Personnel, the Player Support Personnel concerned.

12.4.2. An appeal pursuant to Rule 12.4.1 shall be made as follows:

12.5. Filing an Appeal with the Appeals Committee

A party who wishes to appeal a decision pursuant to Rule 12.4.1 to an Appeals Committee must lodge notice of the appeal in accordance with the DRA Rule Book.

12.6. Convening an Appeals Committee

12.6.1. Where a notice of appeal is filed in accordance with Rule 12.5, the nomination and appointment of the Chair of the Appeals Committee will be dealt with under Rules 16.7 and 16.8 of the DRA Rule Book.

12.6.2. The appeal procedure shall be regulated by the appointed Chair of the Appeals Committee pursuant to Rule 16.9 of the DRA Rule Book.

12.7. Appeals to CAS

12.7.1. Where these Rules create a right of appeal to CAS, such appeal shall be conducted in accordance with CAS's Code of Sports-Related Arbitration, provided that:

- a. in the case of an appeal by a Player or Player Support Personnel from the decision of an Appeals Committee, CAS shall only review the materials before the Appeals Committee and its decision, and shall only overturn the decision if it finds that the Appeals Committee has misdirected itself, or otherwise reached an erroneous conclusion;
- b. in all other cases, CAS shall have power to consider the matter de novo, i.e. to hear the matter over again, from the beginning, without being bound in any way by the decision being appealed;
- c. the governing law shall be English law, and the proceedings shall be conducted in English; and
- d. the decision of CAS shall be final and binding on all parties.

Rule 13: Reporting

13.1. Reporting of Pending Cases

Save where a Provisional Suspension has been imposed pursuant to Rule 7.5 of these Rules, the DRA shall not publicly disclose the identity of any Respondent unless and until it has been determined pursuant to Rule 8 or Rule 12 that the Respondent has committed a Doping Offence.

13.2. Reporting under the Code

The number of Adverse Analytical Findings and Doping Offences arising under these Rules shall be published from time to time by the DRA.

Rule 14: Recognition of Decisions

Rule 15: Challenges to a Decision or these Rules

- 15.1.** Subject to Rule 1.8 and Rule 24.3 of the Code, these Rules and all issues arising there under shall be governed by the laws of England and Wales.
- 15.2.** These Rules shall constitute an agreement to arbitrate, and proceedings before a Disciplinary Committee or Independent Disciplinary Hearing Panel pursuant to Rule 8, before an Appeals Committee pursuant to Rule 12, or before CAS pursuant to Rule 12.7, shall constitute arbitration proceedings, for the purpose of triggering the application of the Arbitration Act 1996.
- 15.3.** To the greatest extent allowable under applicable law, any challenge to these Rules or to a decision made pursuant to these Rules shall be made exclusively in accordance with the provisions of Rule 12 and shall not be made by recourse to any court or other forum.
- 15.4.** Subject strictly to Rule 15.3, the courts of England & Wales shall have exclusive jurisdiction in relation to these Rules and any decision made hereunder.
- 15.5.** If any clause or provision of these Rules is held invalid, unenforceable or illegal for any reason, these Rules shall remain otherwise in full force apart from such clause or provision which shall be deemed deleted insofar as it is invalid, unenforceable or illegal.

Rule 16: Miscellaneous

16.1. Information

Any Person who submits information including personal data to any Person in
